User Stories:
- As a current student, I want to check the schedule for any upcoming changes so that I can stay updated on the schedule
- As a current student I want to sign up for new classes quickly so that I can get into the class before it fills up.
- As a prospective student I want to know more about the instructors, facilities, and location so I can make an informed decision to apply to the archery school or not.
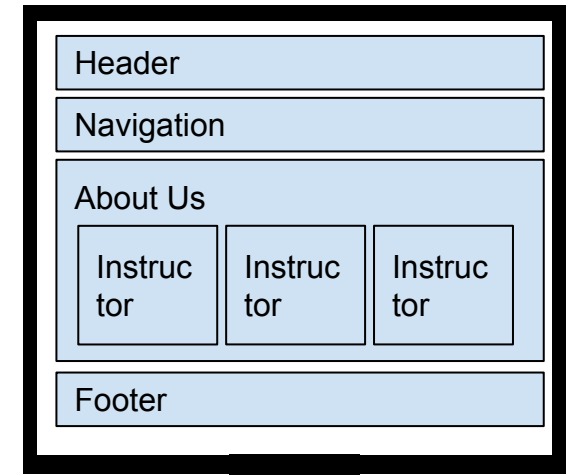

Pages:
- Home Page: Services on the Home page because it is the most vital and (probably) most visited page. (classes and private classes)
- About Page: About studio blurb and instructors
- Calendar: of classes and events because this is also an important feature that is most needed from an array of users
- Contact Us: map & contact info
- Application Page
